EXPERIENCE

Ganglia Technologies – INTERN

JAN 2025 – MAY 2025

Software Developer Intern – Mern stack

- Collaborate with a dynamic team to design, develop, and deploy scalable web applications using the MERN stack (MongoDB, Express.js, React, and Node.js).
- Enhanced application performance and reliability by identifying slow operations and implementing backend optimizations.
- Built several responsive UI components that worked well on all devices, especially improving the mobile experience.
- Managed Git commits proper branching and merging, which helped the team avoid conflicts and made collaboration easier.

EDUCATION

Manipal Institute of Technology, Manipal, Karnataka:

Master of Computer Applications

(Aug 2023 – July 2025)

8.83

Bhandarkars Arts and Science College, Kundapura:

Bachelor of Computer Applications

(Aug 2020 – June 2023)

9.13

Viveka PU College, Kota:

Pre-University (PU)

(June 2018 – Mar 2019)

91.50%

Bearys Sea Side Public School, Kodi:

SSLC

(June 2016 – Mar 2017)

95.36%

TECHNICAL SKILLS

Programming: C++, Java, SQL, NoSQL, HTML, CSS, PHP, Android, React.js, Nodejs.

Tools & Platforms: Git, GitHub.

Soft Skills: Project Management, Teamwork, Problem-solving, Quick-Learner

PROJECTS

Sprintly (Project Management Tool) - Group Project

- It allows users to create, assign, and track tasks efficiently within projects, improving team collaboration.
- It is built using MERN stack (MongoDB, Express.js, React, Node.js) for a scalable and efficient backend.

Vehicle Rental Android App - Group Project

- Built in Android Studio with Firebase integration for real-time data storage and retrieval.
- Provides a user-friendly interface to browse, book, and manage vehicles across categories like bikes and cars.

Hospital Management System - Group Project

- Developed using PHP and HTML, CSS, and JavaScript with secure user authentication.
- A web app to manage hospital operations, including appointments and doctor-patient scheduling.

CERTIFICATIONS

- **Writing Java Application Code** – Learn Quest (Coursera)
- **HTML, CSS, and JavaScript for Web Devs** – Johns Hopkins University (Coursera)
- **Android Application Development** – Great Learning
- **Mathematical Thinking in Computer Science** – UC San Diego (Coursera)

OTHER INFORMATION

- Languages: English, Hindi, Kannada.
- My hobbies include travelling, watching movies and listening to music in my leisure time.
